Today's Fresh Fish

You don't know how good fresh fish is until you've tried ours! We overnight our fish directly off the fishing boats, so even though we are located thousands of miles away from the coasts, the fish sure doesn't taste like it is. We know you'll love it! Because we get it in fresh, quantities are limited.

Fresh Catch Club Our fish selections are constantly changing so please ask your server for today's catch and method of preparation. Market Price
